The DAR is a non-political women's service organization whose members come from a variety of backgrounds and interests, but all share a common bond of having an ancestor who helped contribute to securing the independence of the United States of America. Any woman 18 years or older, regardless of race, religion or ethnic background who can prove lineal descent from a patriot of the American Revolution is eligible to join.

Even if you have immigrant ancestors who arrived in the 19th and 20th centuries, we can help you connect to them and get you started in these countries, pending space availability.
